Many thanks to the SNC for inviting us to judge. The weather was perfect for these tests at a new venue. Good standards achieved with many dogs ready to move up a level, a few just a little more work needed.

Thank you to the SNC for inviting us to judge at this new draught test venue. It was good to see both young and veteran dogs coming out to test at this level. Thank you to JBDC for your hospitality and especially the cakes.

**Level Two**

Judges: Jeff Burridge & David Taylor

Entries: 2 Fail: 2

**Judges Report:**

Thank you very much SNC for inviting us to judge at this level at this new venue. We had two dogs of varying experience, one not managing to pass the control section, the other being 'off with the fairies' on the down stay, so both failed. Thank you JBDC for hosting the event and for your wonderful hospitality.  
Jeff Burridge & David Taylor

### **Level Three**

Judges: Jane King & Steve Pallot

Entries: 1 Pass: 1

Burridge's Henry – Bagglebears Man In The Moon

#### **Judges Report:**

Only had one entry in Level 3 today and the team worked beautifully together. A couple of tight leads, so lost a few points. But altogether a lovely pass for them.

Thank you to JBDC for asking us to judge & for their hospitality.

### **Level Four**

Judges: Steve Pallot & Kay Burridge

Entries: 2 Pass: 1 Fail: 1

Taylor's Kitchi – Bagglebears Thundermoon at Mollynewf (Travois)

#### **Judges Report:**

We had two dogs entered into this Level, both dogs did a good control element, unfortunately one dog got up on the 'out of sight' down stay. The other dog carried out a good Manouering section. The haul was challenging, with plenty of gradients and surfaces, the team worked well with the travois – a nice pass.
